## APPALLING CONDITIONS IN FRANCE DESCRIBED

Children Worst Sufferers in War-  
Stricken Section as Win-  
ter Approaches.

A detailed account of the appalling  
conditions existing in France today  
is revealed in an account sent out by  
the French Heroes' Lafayette Mem-  
orial Fund, Inc., in New York city, in  
their appeal for aid in alleviating the  
sufferings abroad. The following are  
some of the extracts from findings of  
this relief incorporation:

During the past five years 800,000  
more deaths than before the war have  
occurred. This list is exclusive of all war  
figures. In five towns chosen at ran-  
dom from the hundred or more under  
the supervision of the organization it  
was found that at Berry Riviere two-  
thirds of the children are subnormal,  
at Cœuvres four-fifths are subnormal,  
at Montzouber, five-sevenths are sub-  
normal and at Montigny four-fifths  
are subnormal.

All the schoolhouses in northern  
France are razed to the ground. One  
of the German military rules was:  
"Destroy all things intellectual as  
well as material." Not a book, map or  
piece of chalk was left in the de-  
vastated region. The French govern-  
ment has heretofore supported its  
system of education by taxes on the  
towns, but when whole communes  
are wiped out taxes cannot be levied  
on non-existing towns.

Winter is now coming, and the little  
children must seek shelter in un-  
heated, unlighted and poorly ven-  
tilated cellars. Food and medical  
necessities are lacking, and financial  
assistance must be had if the future  
of the French race is to be saved. Sta-  
tistical reckoning on the increasing  
death rate states that unless condi-  
tions are improved the whole race  
will be exterminated in 200 years.

## Some of our New Fall Shoes Came in Ahead of Time

NOT many, of course. It is  
really too early to expect that  
—but enough to give Washington men  
and women a hint of the trend of shoe  
styles this coming Season, and the  
really remarkable values you may  
look for in your Regal Shoe Store.

The new narrow last, for instance is  
shown in:

The Regal "HUDSON" in  
Genuine Russet Calfskin  
**\$11.00**

A last that combines long, slender lines  
with generous room at the ball of the  
foot. Genuine Calfskin  
upper. Leather Sole. Low  
broad heel. The price  
—\$11.00—illustrates the  
advantage to this store

and its customers of the Regal ability to buy fine leath-  
ers at the right prices and to manufacture free from  
excessive costs.

The man who does much walking  
will be interested in a shoe that he can  
put right on and go out on the job.

The Regal "CRISPIN" in  
Genuine Russia Calf—\$12.50

A Blucher model with low flange heel,  
and sturdy, flexible sole. Fine Russia  
calfskin is pliable and kind  
to the foot. A costly  
leather, too. This Regal  
price of \$12.50 is indeed  
most conservative.

And for Women—here is the first of  
the new *Satin* shoes. Very beautiful  
—and very, very smart.

The Regal "FIFTH AVENUE"  
in Black Saitn—\$12.00

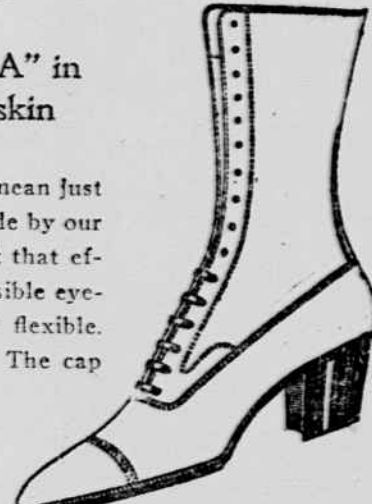

You will like the last, too—the "Fifth  
Avenue," new this season; a response to  
the repeated demand for a high-arched  
dress last. Upper and top of fine Black  
Satin—Top 9 inches high, Versailles-cut.  
Satin-covered Wood Louis heel, 2 1/4 inches  
high. Plain toe. Light, flexible sole. A  
dress shoe through and through.

For semi-dress and  
walking, here is one  
of the Fall tailored  
shoes—

The Regal "MINEOLA" in  
Genuine Brown Calfskin  
**\$13.00**

When we say "tailored" we mean just  
that. We had these shoes made by our  
Men's boot makers to get just that ef-  
fect. Top 8 inches high. Invisible eye-  
lets to top. Sole stout, but flexible.  
Cuban heel, 1 1/4 inches high. The cap  
effect is produced by fine  
perforations across the  
vamp. Most reasonably  
priced at \$13.00.

Whether you are thinking of new  
shoes now or not, it will pay you to  
take a few minutes to see these ad-  
vance Fall Styles. And not for style  
alone. One can hardly get too much  
first hand information about shoe  
quality and value these days.
